**Gluten Free Travel** launched a website focused on helping people with Celiac and others following gluten-free diets, locate hotels, resorts, and restaurants around the world that accommodate their special diets. As more people get diagnosed with Celiac Disease every day and awareness grows, an increasing number of hotels, resorts, and restaurants are realizing this is a niche market they can't ignore. As a result, they are developing special programs and menus to cater to this growing market. **Coconut Bay Beach Resort**

Coconut Bay Beach Resort & Spa in St. Lucia is bringing a first to the island. The resort has officially launched the region's first paintball facility called The Zone, which is being described as "a retro-industrial inspired paintball war zone." Guests can battle each other on the playing field that is able to accommodate up to 10 players. Players seeking a bit more training can head to the target practice section of the facility to perfect their aim before taking the battlefield. A fully-staffed playing field awaits guests, complete with certified referees and instructors. All equipment needed is provided courtesy of the resort, including paintball guns, paintballs, goggles and additional safety gear. Mar 31, 2008

**Excellence Resorts**

Excellence Resorts announced the completion of \$8 million in renovations to its Excellence Punta Cana property. Excellence Punta Cana received a range of enhancements including new decoration of all guest rooms and partial renovations throughout the resort areas, as well as a new restaurant, state-of-the-art fitness center and many additional lavish touches. The Excellence Club features private swim-up suites for Club members with views of the Caribbean Sea. The renovations to these accommodations include new interior decoration, Bulgari toiletries and new lounging hammocks in the private cabanas. Excellence Club suites have also been equipped with new 37 inch LCD flat screen televisions and radio alarm clocks with Ipod connections. The Club suites' mini-bars, featuring premium liquors, have been expanded to include wine and a variety of snacks, all freshly stocked every day. In addition to the Club suites, redecoration of all of the resort's guest rooms has been completed. And, all guest rooms now include free wireless Internet access, as well as throughout the resort. Excellence Punta Cana created Oregano, its eighth restaurant option to enhance the current seven enticing international choices. Oregano features items like pizza and offers flexible dining hours, including early and late evening availability. Additionally, the resort's existing seven gourmet restaurants have been completely redecorated reflecting their
